

# VIN'OLEO VEGAN

**VIN'OLEO** is a functional premix specifically developed for the ***production of vegetable margarine***, delivering consistent quality and optimal performance in both cold and hot processing applications.

It enables manufacturers to produce a cost-effective yet high-quality margarine, suitable for a wide range of uses while meeting performance and sensory expectations.

Designed to ensure flexibility and reliability, this premix supports efficient production across different processing conditions, helping optimize formulations, control costs, and maintain consistent product quality.
