

EZENTIAL® READY-MIX MAYO VIAMA

EZENTIAL® READY-MIX MAYO VIAMA is a premix designed as a cost-effective ***alternative to famous african mayonnaise***, delivering a very similar taste, texture, and performance. It enables manufacturers to produce their own mayonnaise-style sauce with full control over formulation, while significantly reducing production and sourcing costs.

With its creamy texture, balanced flavor, and strong stability, our premix offers a reliable, flexible solution tailored to local market expectations.
